Dear Louise,

Distribution Flexibility Procurement Statement

1. Introduction

Energy Assets Networks is an Independent Distribution Network Operator (IDNO). We operate across Great Britain and operate networks in all Distribution Network Operators' Service Areas. We have been operating since 2016.

2. Flexibility Services Requirements

We have not identified any requirements for flexibility on our networks and currently have no plans to procure any flexibility services. As all networks have been developed within the last three years there is sufficient capacity for current and projected future demand.

3. Tendering process
